Castlemont Families,

The HSC is an all volunteer organization made up of Castlemont parents, staff and administration. The HSC organizes and sponsors many school programs and activities including Book Fairs, our annual Jog-a-Thon, Family Fun Nights, Life Lab Garden, assemblies, field trips and more.

In order to fund these activities, we hold several fund raisers throughout the year and we rely on your generous support through our various membership levels. Now, more than ever, your donation of time and money is critical to ensuring the continued funding of these programs.

If you have registered at the Groupery (http://www.thegroupery.com/registration/castlemont-hsc/), you can make your membership donation there . In addition, you can place Spirit Wear orders and you can make additional donations. Please visit www.thegroupery.com/castlemont-hsc now to make your contribution.

If you prefer to make your membership contribution outside of the Groupery, please make the appropriate selections below and return this flyer with your donation to your child's teacher or to the school office.
