** Pablo opens – Minutes approved from last meeting
Jill Klees moves to approve minutes from last meeting, Ed seconds.
Pablo will continue to post the minutes to the site. Site is basic but will get broader. We need a dedicated Web Coordinator.

Ivy Sarratt – Update

November 11th – Veterans Day. No school.
Finished conferences last week.
Always need classroom, morning and afternoon traffic, and playground volunteers
Reminder – campus is not officially open until 8am
Parking is still a problem. Please come early, park far and walk.
School Plan – every school has high accountability
School site council approves budget-lean due to budget cuts
Focus on PBIS. Caughta(sp?) cards.
ECXEL and ELD – support from District on this. Allocate dollars to each section of high leveraged plans.
Mandated report – keeps accountability
Preparing for mid-year cuts – 10% earmark set aside
Hopefully cuts won't be larger, do not want to lose staff.

Allison French

Pablo mentioned the need to look at different options for fundraising. There is Innisbrook but maybe we want to look at other options. Flyers and catalogs come in all

the time. Jill and Pam are asked to look into more. Jill – wants to do things that make her feel a sense of community.

Maybe we can look at Artsonia.com or Christmas Cards created by kids.

E-Waste event in March or April 2101– coming, a way to earn money. We can go to websites to find out who is giving away free TVs.
