

HSC MEETING 12/1/09

7:05pm – Meeting Opens

9 attendees

Pablo:

Website getting a ton of hits.

3 paid sponsors, potential 5 sponsors for the year.

\$1500 overall for the website.

Shoot anybody that is interested Pablo's way.

Family Fun Nights

Subway fundraiser was a big hit and the owner wants to do recurring Family Fun Night fundraisers during the year. Already way beyond the \$500 budgeted.

Mountain Mike's wants to do a Family Fun Night event once a month. Subway wants to do it often.

The more we/Dana are willing to do the better. Pablo will tell Dana to do as many as she can. Willow Street, Boston Market, Baja Fresh are good targets.

Fall Family Festival

Hoping to get an update from Allison. No numbers yet from the Fall Family Festival.

Looks like we are hovering right around budget. Thinks we ended right around \$4000.

Ivy Sarratt:

"Dynamic Dragons" launches on December 18th. Similar to student of the month. Kids that are doing good things on campus are the targets. Teachers nominate kids and they will be nominated each month. Parents will receive an invitation for the award presentation. Children will be recognized at the next Spirit Assembly. Aim is to celebrate with their peers but open to parents attending. A few kids from each class each month for the rest of the year.

PBI team has come up with rewards systems to recognize kids and positively reinforce good behavior. Good time of year to ask that they follow the three Rs given the upcoming holiday.

Remind your kids to be thoughtful of others who may not be getting gifts.

Second Harvest – Dollar to Dollar to match. If you give \$200, an additional \$200 will be given. One check, lump sum from Castlemont goes to Second Harvest.

Question – Is there an "Adopt a Family" program? Not formal but the Secretary, Karen Delgado, knows the families in need. Discrete way of helping families. If you want to help a family, talk to Karen Delgado.

Staff Appreciation Lunch – We need soups. Deliver between 9:30 and 11am on Wednesday, December 16th.

January 5th 2010 – Johanna, the Superintendent, will be here to talk about another Bond and what it will address. Not sure where Castlemont is on the pecking order. Requests were made. Have been seeing needs and recording them.

Meeting Closes
