Mathnasium Summer Jump Start Programs

Mathnasium of Campbell-Los Gatos is offering our Summer Jump Start Programs for students going into 2nd through 12th grades. It offers your child the opportunity to get ahead and prepare for the next year, review material from the previous year, and to enhance their Math skills overall. Each student completes a comprehensive assessment and works with our instructors on material based on their individual skill level. Two sessions per week, for about 60 minutes per session is the ideal schedule for this program. This summer, Mathnasium is offering two 5 week sessions or the option to enroll your child in a 10 week session at a substantial discount.
