Talked about Zumba class fundraiser

We would need to agree on price. \$30-\$40 usual.

Zumba Fundraiser lead by her cousin, Gina Grant.

Can see her at www.zumba.com.

Her workshops usually sell out in 2 days.

Available Friday before Memorial Day.

1 to 1 ½ hour class.

Could have it in the quad area or cafeteria.

She is in Portland so we will need to fly her back home.

Up to 311 people in the cafeteria.

Could also have it outside and allow more people.

Will look to the Campbell Reporter, other means to communicate beyond Castlemont.

We could look at funding field trips with the money earned.

Ivy Sarratt - update

CST awards will be on April 26th.

Pam Wingerden

Pablo wants to increase number of people

Would board members want to do it again?

Recruit friends and others to join

Avoid talking about budget early on. Keep it light and informational early on.

Pablo wants to post teacher/class updates--posts that will get people to want to go to site

Pablo came to staff meeting to talk about HSC, it was nice to have him there. Great info.

Ivy

Field trips – kids never forget them. We are fortunate not to have them cut.

Great experiences. About making memories.

Want Pablo to visit staff meetings more regularly. Need teacher advocates.

Judy McGettigan – 3rd grade teacher

Adobe days, Tide pools, bus rides. All amazing experiences.

So important to get kids excited about learning.
OK if some grades save money by walking, allows for more dollars to be used elsewhere.

Pam Wingerden
